

14 REASONS WHY SUSAN COLLINS IS NOT A MODERATE

1

She called Trump's involving a foreign government in our elections "improper," then voted to acquit in the impeachment trial.

2

She confirmed Brett Kavanaugh, even though he was credibly accused of sexual assault, lied to Congress, and lacked judicial temperament.

3

She voted for a tax bill that adds \$1.9 trillion to the national debt and raises taxes on 53% of Americans.

4

She voted at least 14 times to delay, repeal, or defund the ACA.

5

She gave \$2.5 million in PAC money to Republicans who opposed marriage equality, reproductive rights, and workers' rights.

6

She confirmed Federalist Society judges to lifetime positions who upheld laws restricting abortion access.

7

She confirmed Trump administration officials who dismantled protections for women, minorities, students, workers, and the environment.

8

She confirmed Trump administration officials who are fossil fuel lobbyists and climate change deniers.

9

She confirmed Trump cabinet officials disgraced by fraud and ethics violations.

10

She voted to allow drilling in the Arctic National Wildlife Refuge and supported the Keystone XL Pipeline.

11

She voted to allow concealed carry reciprocity nationwide.

12

She voted to protect gun manufacturers from liability.

13

She voted with her party more under Trump than at any other time since she took office.

14

She vowed to serve just two terms, but is now running for a fifth.

THE CASE AGAINST SUSAN COLLINS

www.suitupmaine.org/case-against-collins/

Suit Up Maine is an independent, all-volunteer grassroots progressive group that seeks to build a more informed and engaged electorate in Maine. Founded in 2016, Suit Up Maine is run by and for Mainers, and is not engaged in fundraising of any kind. Representing thousands of constituents across Maine's 16 counties, Suit Up Maine raises awareness of and advocates for policies and legislation that promote equity and equality in civil rights, social justice, health care, the environment, education, the economy, and other areas that affect the lives of all people. Suit Up Maine is beholden to issues and action, not parties or politicians.
